Foreword

The home is the foundation of every life. Realizing this, we, the editors, have chosen "Central's Happy House" as the theme of this, our 1950 yearbook.

It has been said, "As the twig is bent, so the tree will grow." We believe that wholesome environment and understanding parental guidance lead to a happy, sound adulthood.

Dear Jeanie,
 I remember how much
 fun we had in the 8th grade
 + the fun in the senior building,
 I hope it continues for a long
 time. You're a real swell girl
 + deserve the best.
 Loads of love,
 Jeanie's friend
 (Bobbie)

Dear Jeanie:
 I've been your all
 the time. I hope
 everything goes well
 with you. Love
 you. I love you.

Faculty

W. W. Clement, Principal

You members of the class of 1950 have paid a far higher price for your diploma than the classes that have gone before you. You have paid an additional year of your lives. Let us hope that this additional charge against you represents honest worth in accomplishment, maturity, preparation and not merely inflationary output for the same or even an inferior product.

If this extension of time has resulted in your having met more easily the stress of maturing through the adolescent years so that you have come now to graduation with a finer degree of physical and mental health; if you are carrying with you into college, into business or industry, into household joys and obligations added knowledge of life and its problems, added maturity of judgment, added discernment to discriminate between the false and the true; if you have built more firmly your foundations in righteousness and Godly living; if you have learned "to fill the unforgiving minute with sixty seconds worth of distance run," then you can be glad for yourselves and for those who will follow after you that you have paid and that they will pay this added price for a diploma.

It is well to bear in mind in this connection, however, that rates of maturing vary. If with some of you the added year has been merely a matter of marking time, your course should be governed more nearly by the admonition that

We live in deeds, not years; in thoughts, not breaths;
In feelings, not in figures on a dial.
We should count time by heart-throbs. He most lives
Who thinks most—feels the noblest—acts the best.

An orchid to the small group of Seniors who worked so faithfully to carry out the full program of the Senior Class. This group has been handicapped by lack of numbers. First, they were so few that it was hard to keep their identity as a class. Second, the curriculum offered to them was necessarily limited. In extra activities it was necessary that they call upon members of the Junior Class to help them do the things the Seniors ordinarily do alone.

In spite of the limitations, they have carried on, worthy of the honor of being the first 12th grade class in the history of Kansas City schools. They also have the dubious honor of being the first graduating class to be faced with the possibility of being not fully accepted by schools of the North Central Association. Truly, they are a plucky group of Seniors. They have faced difficulties, and they are still capable of overcoming additional ones.

H.L.5.

Dearest Jeannine,

Well, I'm leaving this year and Jeannine I'll never forget you. You constitute a big part of the memories of my sophomore year and I could never have had a more perfect rusher.

You have a head on your shoulders and I know you know how to use it. I've been close again this year Jeannine and I think you know how much you mean to me. I love to be with you at school and at church for we seem to think alike. I enjoy talking with you so much.

I know with your excellent qualifications you are bound to stay on top where you've been since you hit C.H.S. I would have loved to call you my sister in club but I feel that we are sisters in a different way anyway. You have a very admirable character honey and I know wherever you go in your life you will succeed.

I pray that we may always remain very good friends honey even after graduation. - especially at church.

Honey, may God bless you always in all that you do - and may you always stay just as sweet and lovable as you are now.

I love you Jeannine

The Blue Eagle team caught fire this year to rebound from last year's no-win season to end up just one game out of third place. With their ups and downs, the Kingbirds managed to wind up with the win column overbalancing the loss column by a 4-to-3 margin.

The Central squad consisted mostly of juniors, with three seniors and a few sophomores. Two of the seniors were remnants of a strong '47 team, who, not attending school last year, returned this year to lead the team.

Two Central boys received berths on the first All-Star team. Both boys, Phil Short, end, and Roy Jones, guard, were juniors. Five Blue Eagles also received an honorable mention.

The Eagles ventured across the bridge on September 23 to take an 18-0 shellacking from the Wyandotte Bulldogs. The Central team held the boys in red and white to a 0-0 score the first half; but the Wyandotte team, sparked by Frank Cindrich, came back in the second half to rout the Eagles. Shining for the Eagles, even in defeat, was Jerome Willingham.

The following week the Eagles took on a strong Northeast team in their league opener. The Vikes struck twice in the first quarter, and at the end of that stanza, led 13-0. Spearheaded by Short and Willingham, a strong drive resulted in a score for the Blue and White. At the half the score stood 13-6. The second half produced a hard-fought battle with neither team scoring.

Thirsting for a win, the Eagles came up against Westport the following week. Entering the game as underdogs, the Central team completely demolished the Tigers and humbled them with an 18-0 score. Central scored in the first quarter with Willingham going all the

way in a 73-yard scamper off left tackle. Moments later Willingham pitched to Short in the end zone, and Central led 12-0 at the half. Westport came back fighting, but the renewed spirit of the Eagles proved to be too much. After taking a Willingham pass, Phil Short, all-star end, raced 55 yards for the third score. From then on, the third stringers held the Tigers at bay.

The Eagles dropped a decisive game the next week to a strong Southwest team, 0-14. The Indians threw up a strong defense and held the Central team to a mere 4 yards total rushing. The whole Southwest team was McKee, the left half for the Indians. He scored both TD's and helped to earn his team a crack at the championship.

Not yet recovered from the beating received from Southwest, the Eagles met their worst defeat the following week at the hands of Southeast. It was all Corky Taylor as the Knights rolled over the Eagles 26-7. The game was a see-saw the first half with Phil Short scoring and Poindexter converting to give the Eagles a 7-6 lead. Taylor scored for Southeast on a 60-yard run. The second half was different. The speedy back of Southeast sidestepped, darted, and twisted his way down field three times to give his team a 26-7 victory.

It was an angered and determined team Central threw up against East the next week. Gaining 235 yards by rushing, the Eagles rolled over East 13-0. Sparked by little Don Wehner, the Eagles rolled 64 yards where Willingham's plunge put the Eagles out in front at the half, 7-0. The second half also held a score for the Eagles. After a pass interception, the Eagles moved to the Bear 1-yard line where Jim Poindexter scooted over for the second score.

Central again chalked up a victory on the following Friday as they rolled by Paseo 21-0. Central got started early in the second quarter as the boys drove the length of the field where Jim Poindexter plunged for the score. In the second half, Jerome Willingham scored on a drive through left tackle to give Central a 14-0 lead. Moments later Willingham led a play through right tackle and mowed down would-be tacklers, as Bob Coomes toted for 47 yards and the final score.

Central closed the season with a 45-0 rout of the Manual Redbirds. After a scoreless first quarter, the Eagles scored in 10 seconds of the second stanza by way of Jerome Willingham's 33-yard romp. Bob Miller pushed over the ball before

the half, and the Eagles led, 13-0. The third quarter was dull, with neither team scoring, but early in the final period the Eagles caught fire and started a spree which scored 32 points before the final gun. After a brilliant 53-yard TD gallop, the Eagles again forced their way to the Manual goal. Sonny Fair, big tackle for the Eagles, shifted into fullback position and drove over for the fourth score. Another Blue and White score came when Jim Poindexter broke through for 11 yards and six points. Only minutes later Coomes twisted his way over for another TD. With only one second remaining, Jerome Willingham intercepted a Manual pass and dashed 70 yards for the final score of the season.

Left to Right—Mr. Dentel, R. Ellis, R. Richardson, T. Board, D. Hanna, J. Robinson, J. Hamilton.

The Central Tennis players were more successful this year in competition with other schools than some previous Central teams have been. In the Interscholastic Tennis Tournament, played at the Rock-hill courts, three of our boys won the coveted tennis letters.

In the singles, Johnny Robinson defeated Jim Bowen of Paseo (6-0) (7-9) (6-3) but was eliminated by Frank Vochester of Northeast by the score of (6-0) (6-1). Randall Richardson lost in a match with George Norton of Southeast (6-4) (9-7) (7-5). As the score indicates this was a closely contested match.

In the doubles, Jeff Hamilton and Neil Grant lost to Frank Mitchell and Donald Kelley of Southeast (6-0) (6-0). Tom Board and Bob Ellis won their match with Gene Cay and Allan Paisner of Southwest (7-5) (6-4) but were eliminated by Bill Moore and Ray Duncan of Northeast (6-0) (6-1).

In accordance with the rules of the tournament, Johnny Robinson, Tom Board and Bob Ellis were awarded tennis letters, having won at least one match.

Boys who plan to enter the tournament next fall should, of course, practice faithfully on their game during the summer.

Golf

Central will have a good team this year, I am sure. Most of the boys are freshmen and sophomores and will play golf for Central three or four years.

Mr. Blackford, our coach, took us to Swope Park in his car after school every Tuesday and Friday for practice.

After we get our practice in the spring we will take on all challengers.

Top Row—D. Wheat, J. Schlosser, S. Webb, F. Pickrell, Mr. Blackford.
1st Row—J. White, J. Wheeler, K. Tarpenning, M. Wuerdeman.

Basketball

The Eagle squad, with two starters returned, but facing the best of competition in the league, battled its way to a fourth place, having three men in the honorable mention list. The three were Vic Wilson, Wyman Fair and Bill Van Gordon.

The squad started off with a fine showing on the home court by defeating De La Salle by a 56-28 score. Paced by Bill Van Gordon, Blue Eagle center, who dunked in 20 points, the team led 33-11 at the half and went in to hold the Cadets far down.

The following Friday the Eagles dropped a heartbreaker by a 49 to 48 score. After leading 16-4 at the end of the first quarter, the Eagles got cold and dropped their lead to 4 points at the half. The Glennon team found the range and peppered the hoop to close the gap. Surging ahead with a long shot, Glennon won by the 1 point given earlier to them by a technical foul called on the Central crowd. Fair and Van Gordon led the scoring with 16 and 15 points.

On December 9th the Pem Day Raiders were hosts to Central and handed them a 41-25 defeat. Holding them down in the first quarter, the Eagle defense fell apart in the next stanza, and the Raiders went on to win. The game was rough, with Wilson, Poindexter and Fair fouling out for Central, and Turner and Sloan for Pem Day.

The next week saw the Eagles drop another non-league game to Hogan on the Eagle court. The Eagles again dropped the game in the last half, leading all the way. By several long shots the Hogan five pulled ahead to win 31-22.

The following Thursday also proved disappointing as the Eagles took a 47-34 shellacking from the Lillis high team. The boys in green pulled away in the second quarter, then put the game on ice by hitting every kind of shot and missing only free throws.

The next night the Eagles boarded a bus en route to Olathe where they dropped a hard-fought game 44-25. In the absence of Wyman Fair, out with an ankle injury, Bob Dowd led the Eagles with 7 points. Wilson also dunked in 7 points, but the effort was futile as the Olathe team won their 21st game of the last 22.

Returning after the Christmas vacation, Central matched themselves against the Westport team in the league opener. With the game nip-and-tuck all the way, the Tigers stalled 8 minutes before Bill Van Gordon dunked a charity toss to put the game into an overtime. The Westport team, who became title-sharers, edged the Eagles out 21-22.

Hungry for a victory, the Eagles met Southeast the following week and handed them a 42-37 defeat. Coomes and Fair paced the Eagles with 13 and 14 points, respectively, as they pulled down their first victory of the season. The win put Central in the first division.

Taking the court against Northeast, the Eagles surprised them and, at the end of the first quarter, led 8-5. The Vikings woke up in the next period and pushed ahead on Adams' pivot shots. The next half Adams and Childs hit for Northeast and put them ahead. The Eagles' ability to hit disappeared and the score at the close of the game was 49-39, Northeast.

1st Row—J. Schowengerdt, L. Arney, D. Owens, Mr. Guemple, B. Coomes, V. Wilson.

Again wanting a victory, the Eagles met Paseo and trounced the latter 60-29. The Eagles jumped off to an early lead and really poured in the baskets. Wilson hit 3 goals in a row and Fair hit 2. Van Gordon contributed to make it 14-11 at the first quarter. The Eagles failed to cool off and led at the half 26-14. Returning for the second half, the Eagles racked up a total of 60 points to the Pirates' 29.

With the Paseo game gone, the Eagles looked forward to mighty East. The Bears were leading the league and were expected to trounce the Eagles. Leaping ahead at the start, the Eagles led all the way to the fourth quarter, when East got hot and pulled up. With much

determination, however, the Eagles drove on and pulled it out of the fire with a 51-48 score. This proved to be the biggest upset of the year and cost East the title.

The next night, the Eagles shot a total of 79 shots, hitting a per cent of only 21, and lost to the Knights of Southwest by a score of 52-41.

The same luck continued against Manual as the Eagles lost that one 47-33.

All in all, the season was not too successful, but with renewed hope the Eagles are entering the state tournament at the press deadline.

Although the track team has not been organized at the time of this edition, Central's chances in the city meet look fairly good. Having taken the championship trophy at the Big Seven indoor meet, the team has begun to work outside. Before the City Meet on April 28 and 29, three dual meets will be held.

Central's strength lies in Short and Sabin on the lows, Reynolds in high jump, and Wehner and Carter in the dashes. Bob Ham and Bob Baldwin are threats in the 440-yd. dash, having placed 1st and 3rd, respectively, in the indoor meet. Ham will also represent Central in the 880 and the mile run.

The Blue Eagle 880-yd. relay team, composed of Wehner, Payne, Carter, and Short, will be a point-winner also. Composing the mile relay team will be Baldwin, Ham, Norman, Maddox, and Poindexter.

Two pole vaulters returning from last year are Arnie Brooks and Bob Coomes. Both boys are juniors. Bill Miller, Gerald Barrett and Penny Markham will put the shot, each hitting the 40-foot mark last year.

Rounding out the squad are Floyd Bratcher, Fred Bratcher, and Lloyd Lively, milers, and Vic Wilson, broad jumper.

The best of luck to the track squad. We sincerely look forward to a successful season.

Girls' Physical Education is recognized as one of the foremost departments at Central. Through the efforts of the instructors, Miss Hazel Purnell, Miss Gertrude Jones, Miss Janice Ebert, and Mrs. Henrietta Woodburn, Physical Education has become one of the girls' favorite classes.

Hockey, basketball, and volleyball were the main team sports. Table tennis, badminton, skating, bowling, swimming and dancing were the main individual sports.

In one school term there are generally three sportsdays, but this year, because of the short term of school, only two of the sportsdays were held. They were hockey and volleyball.

Higher goals are consistently being set for these girls, making the Physical Education Department one of which the entire school can be proud.

CAPT. ROBERTSON

SGT. SCHLIPP

LT. COL. MARVIN FRIEDMAN

MAJ. WALTER BROTT

The Central R.O.T.C. Battalion began the year under the guidance of Capt. E. B. Robertson and Sgt. James W. Schlipp. After ably directing over one hundred forty cadets during the first semester, they were joined by a new instructor, M/Sgt. George Quigley. These three men worked hand in hand to formulate an outstanding unit.

After several months, the permanent positions were assigned. Lt. Col. Marvin Friedman and Major Walter Brott were selected to lead the battalion, Friedman being Battalion Commander and Brott the Battalion Executive Officer. The battalion staff consisted of Capt. Herbert Horowitz, S-1, Cadet Lt. Sol Turner, S-2, and Cadet Lt. Bill Easley, S-4. Commanding A Company was Capt. James Janner; Company Commander of B Company was Capt John Fletcher; Capt Robert Reynolds commanded C Company. The Platoon Leaders in A Company were Lt. Vaughn and Lt. Snyder; in B Company, Lt. Hickson and Lt. Stonum; in C Company, Lt. Mallin and Lt. Darr.

The rifle team started the season rather poorly. Although the team lost the first matches, they steadily improved. For a while they gained 30 points each match over their previous score. The team finished the season with a 3 won-4 lost record, defeating Manual, Paseo, and Northeast, while losing to Southwest, Southeast, Westport and East. Regular members on the team were James Janner (team captain), Marvin Friedman, Walter Brott, George Lanigan, and Lewis Turner.

Central was honored to have one member of its team in the top five (all star team) in the city. He was James Janner. Four members of the rifle team qualified for the expert rifleman's medal given by the N.R.A. They were Marvin Friedman, Lewis Turner, Walter Brott, and Mark Lessenger.

The R.O.T.C. Circus and Field Day events, usually held in the spring, were replaced by Military Review in the Municipal Auditorium. It consisted of drill competition between the High School units. Cadets were entered in individual, squad, platoon and company competition.

In contrast to previous years, the Central Battalion took part in the Regimental ball, but it did not have a separate one of its own. The Regimental ball was held at the American Legion Hall, Linwood and Paseo. Central's candidate for queen was Michael Harder, escorted by Lt. Col. Marvin Friedman. She was chosen by the cadets from the Central candidates presented. The two runner-ups were Camille Ewald, escorted by Sgt. George Lanigan, and Carolyn Angle, escorted by Major Walter Brott. All agreed the ball was one of the nicest ever held.

During the past year, a new organization was formed in the unit called the Central R.O.T.C. Memorial Club. Its purpose was to furnish firing squads for military funerals. This group has served at over 60 funerals during the year.

After Federal inspection, the Central Battalion closed shop after a very successful year.

Senior Will

We, the Senior class, leave books, work, teachers, pencils, blackboards, sleeping pills, twanging bobby pins, essays, desks, Shakespeare, "humms," drafts, eighth hours, scolding, homework, water faucets that don't water, hot lunches that aren't hot, easy tests that aren't easy, and 80 brains (slightly used), to the willing but unsuspecting Junior class. But to the delight of all—WE LEAVE!

Enough of this. Let's take a glimpse into the future to see what all of the graduates of 1950 have done with themselves.

Mary Ann Bacher is the superintendent of an exclusive boys' school now, admitting only those with Cadillacs or Packards. Her head disciplinarian is Marshall Denby, who seems to have a way to handle them! Wonder what it is?????!

Bringing up her little kiddies and being an obedient wife, we have "Miss Typical Homemaker of 1972," Ann Bowlin.

And we can't miss Shirley Eicks making her campaign speeches for first woman president. Also in the political lime-light, there is Elaine Hobbs, who is Shirley's manager.

The "Cha-Boom Palace" is prospering under the able management of Don Frakes—he always has his eyes open for a new attraction for the show! Donna Himmelberg is his box office manager—in charge of tickets, you know!

Pat Cates, the world's fastest typist, has just received another Congressional medal for breaking the world's record in typing with her toes.

Jack Brown is back in India taming tigers for Sam Bond's Circus—he keeps Sam well supplied, but it's a good thing Charles Jones became an undertaker for the less fortunate!

Gloria Hale and Margie Graham have opened their ginger factory and are getting a lot of business from Bob Baldwin's "Hot House."

And we see Jimmy Poindexter teaching Atomic Mechanism at Harvard. He likes eastern universities because the climate's so *Cool*.

Daily we hear Bob Lohmeyer on his program—"The Voice With a Kiss." He just coos into the mike—and the ladies swoon.

Virginia Wyland and Katie Nenno are back at school now teaching Phys. Ed.

Paul Johnson is now the highpower salesman of ladies' ready-to-wear.

Yvonne Sadler long ago decided to go WEST to Hollywood and is doing "real" well. We hope she gets an OSCAR.

Photographing for "Today's Slob" is Jack Spangler. Micheal Harder draws the fashions. Editors are two spinsters—Pat Van Valkenburgh and Carolyn Angle.

At the Diamond Horseshoe, we find our own Ronnie McGregor singing "Linda" with a chorus line follow-up by T. A. Moffett, B. J. Meier, and June Haynie.

Rita and Ruby Show are starring in the production, "The Bobsy Twins at Podunk." Review writer Shirley Kessler is giving the play rave notices.

Sonny "Bone-Crusher" Fair and Jerome "Sleepy" Willingham are fighting a bout soon at the Madison Square Garden. May the best man win!

Delores Hickman has opened a restaurant chain. If you're hungry, you should visit "Naughty Nell's," "Typhoid Joe's," or "The Greasy Spoon." Vic Wilson, head waiter, is quite an attraction.

Speaking of food, we're "hongry," so, as we toss our knapsacks over our shoulders, and arrange our bows and arrows, we bid a fond "goo' bye" to all.

Wearily,
THE EDITORS.

The Class Letter

And so, we, the graduating class of 1950, leave Central's Happy House reluctantly, knowing that in going we depart from more than classes and studies. We leave behind us, also, many friendships—some casual, some sincere and warm. We leave a treasure chest of memories. Yes, we discover that in graduating there is a note of melancholy, for you have given to us so freely of all you have to offer. Your inexhaustible stream of knowledge has made us aware of our world and its problems, and we go, determined to utilize all of our resources in keeping the world at peace and in restoring good will to the hearts of men. You have taught us all of this, Central, and we are humbly grateful. It is our fondest wish that all who pass through your doors will be as richly contented and inspired as are we.

Sincerely,

THE GRADUATING CLASS OF 1950.

Dear Jeanine,
 Its been real swell
 being in all your all your
 classes. I wish I could
 have known you better
 last year. I really think
 your cute and sweet.

(Pretty good line huh?)

Dear Jeannine,
 How, you know I
 think just the world of you.
 I know we haven't gotten to know
 each other very well you're about
 the sweetest one girl I've ever met.
 You're really a credit to Minerva. The
 fellow that you got will be darn
 lucky!
 But of luck!
 Love,
 Camille

To Central

Dear old Central, far-famed Central,
 Thou shalt never fail;
 Round thy name there clings a tendril
 Of tradition's tale.

Chorus

Thou art victor; fame has followed,
 Clad in dignity;
 May thy name to all be hallowed
 By our love for thee.

Every student soon or later
 In his walk of life
 Greet the thought of Alma Mater
 As his strength in strife.

Dearest Jeannine,

Well hon, here I am trying to tell you alot of stuff, with not even an idea of how to start it.

You know we've had some pretty swell times together, (doubtling me) remember all those plans we had with two fellas?? You are about the sweetest, cutest lil' gal I know, your personality is just super in fact every thing about you is?

I wish we could be "sisters" but that isn't everything I consider you one any way so what's the difference. Gosh Jeannine it's so hard to tell you what I think of you, I want you to know you are the best friend a girl can have, one to tell her lil' secrets to & one she can depend on, to love you all that and more. I hope next year we can be even closer cause you are such a wonderful little girl & I know will always remain friends even after graduation.

Here I filled a page and I really haven't said what I intended to, but you do know what I mean.

I'm glad I can call you my best girl friends. I think you are a wonderful girl and I know you'll do you in every thing you do.

Love Always
Donna

This isn't at all what I wanted to say, you are such a wonderful girl & I always remember you. Please forget me Jeannine. You do know what I meant to say didn't you?

Dearest Jeannine,

Well, hon, this is it - I guess you'd call it good-bye. I hope not - for Jeannine you don't always find friends as dear as you. You've been far more than a friend to me - you've been more like a sister.

I love you very much and I'm going to miss you an awful lot. I can't very well express myself in words but try to read between the lines because I don't seem to be saying what I want to.

Jeannine, you're one of the cutest gals I know and you take advantage of those looks, too. I'm not feeding you a line - I'm only trying to tell you all the wonderful things I think about you.

You're going to be on top in everything you do. I only hope that you and Bill work out - but I'm sure to be seen since the future is so unpredictable but no matter what happens - it will be for the best. Luck to you.

About Club - I know how you feel. But Jeannine you're ~~mean~~ above everything and I know that you'll keep the Minerva's together for one swell club. You can do that - for me. I know that if you go to college you'll be a wonderful success - even more than high school.

Never lose your sweet ways and you'll always be on top.

No matter what I love you very much.

Your sis "

Dearest Jeannine.

I've had such a perfectly wonderful time this year in m. L. S. It has been the happiest year, by far, of my life. I met so many nice people and especially the Minerva's. Jeannine I could never express how wonderful you are. You so sweet in every single way and next year we will be real good friends. I hope. You deserve the very, very best of everything in life and remember I love ya lots.

Dear Jeannie,

Honey, I can't write pretty phrases like some of these people, but I hope you understand how I feel. I think you are just about the sweetest sis I have and I think you are really marvelous. Honey, you are so sweet and darling and Jeannie doesn't ever change and you'll always be happy and make those around you happy. I hope we can have a lot more talks next year, and become alot better acquainted then. Honestly, hon, you are so very sweet and wonderful and I know you will gain success in everything you do. Best of luck always to a very wonderful little girl. See you this summer and call me.

I'm sofully glad you're my sis

all my love

Dear "Walnut,"

There went another year for us! I really hate to see them fly by but I know that I'm really having fun while they are (especially with walnuts!) Jeannine I really think you're sweet and I'm so proud to call you my lil Minerva sister. I know you're going a long way so good luck always.
Sally.

Dear Jeannine,

I guess the time has come for me to tell you all the wonderful things you mean to me.

Oh Jeannine oh I'll never, never, never, forget the Green and White Tea. It was too wonderful for words. I sure wish we could call each other "sis", but even if we don't see always I love you and with all my heart.

Jeannine, I hope you get all the honors and offices in Minerva, (which I know you will!) You're so sweet and everyone loves you.

I wish I could go on and on telling you nice things about you, but with all you have, that would take all of the paper in the world.

I love you and I'll remember you forever and ever.

Sally
